United Machines Inc

<https://www.indiamart.com/unitedmachines/>

United Machines established in 1998 with a mission to be the leading supplier of quality laundry & drycleaning machines in India. Our registered office in Tirupur, Tamilnadu.

About Us

United Machines is a reputed supplier of High Quality Commercial, Industrial Laundry and Dry Cleaning Equipments. The group of companies is promoted by a team of Young Dynamic Professionals. These professionals are from various fields of the industry and most of them are engineers. We believe in the policy that Science and Technology of for the People then for itself. We are determined to make use of Advanced Technology to create products that are affordable. We have carefully found out and used the advanced technology available in each country and person to create the products. We are committed to providing not only the highest quality laundry equipment, but also unmatched service and support for self service laundry owners through a nation-wide network. United Group offers a full line of heavy duty industrial laundry equipment, designed to withstand the test of time, and to continuously achieve high levels of efficiency during its lifetime. We provide turn key laundry & dry cleaning project solutions for our clients and we keep up our reputation in the market by providing following services:

- Identification of requirements
- Initial analysis and recommendation
- Fabric load Analysis
- Analysis of required machine capacity and the quantity.
- Service analysis - Services include electrical, mechanical, cold and hot water, automatic handling and sorting...
