About Us

Electrical Engineering Consultancy, Turnkey Electrification Services, Electrical Panel Manufacturing, Electrical Maintenance Services and much more. Industrial sector has changed the face of today's world. This sector widely includes industries like Engineering units, Automobile services, Chemical Plants, Pharmaceuticals manufacturing and so on. To run all these industries, there are prime requirement of helping hand from the electrical energy. Hence 'Universal Electrical', a licensed electrical contracting & panel manufacturing firm, since 1986, validates its necessity. Until today, we have successfully carried out number of installations & supplied electrical panels not only in Ahmednagar district but to Ranjangaon MIDC, Pune-Nagar Road Industrial belt & to various clients in Maharashtra also. We offer Turnkey Electrification Service with its associated services as well for high tension and low tension belts. Our services are widely appreciated by our esteemed clients for its practicability, good organization and most importantly for its trustworthiness.
