Ten years back, **Universal Home Gardening Company**, was nurtured by just a couple of individuals, and has now made a mark in Seed's Market in Pune

About Us

Colors, without a shred of doubt, have a great deal of influence on our everyday lives. Likewise, colorful flowers play a great role in making the environment beautiful and refining our minds, which clearly reflects in our emotional responses. We, at **Universal Home Gardening Company**, endeavor to bring these colors of nature in everyone's lives. Ten years back, **Universal Home Gardening Company**, was nurtured by just a couple of individuals, and has now made a mark in Seed's Market in Pune. We are now determined to cater to the market of entire Maharashtra, and subsequently all the major States in India. We at, **Universal Home Gardening Company**, are known for Trading Business of Seasonal Flower Seeds. We over the years of our experience, deliver only the selected varieties of seasonal flower seeds which are especially suitable to our Indian climate. We offer a wide range of F1 hybrid and open pollinated varieties. We are committed to provide the best quality of seeds, introducing new varieties every year from our breeders and suppliers located globally.
