About Us

A progressive and innovative organization, Universal Motor Udyog was established in the year 1970 with an objective of providing a comprehensive range of products such as Auto Parts, Car Parts, Maruti Suzuki Parts, Hyundai Santro Parts, Wind Shield Glass, Fuel Pipes, Automotive Parts, Auto Accessories etc. Standing on our 40 years of valuable experience, we are known in the industry as a renowned manufacturer, exporter and supplier of a wide range of automotive parts & components. Our products are being exported in Europe and all Asian Countries. We have an excellent team of engineers, project management personnel and equipment designers. Each of these individuals, along with his development team, is committed to provide the clients with the best automotive accessories. Our design staff is regularly kept abreast with the latest international trends to manufacture the products accordingly.

We are among the few successful names, who have the ability to improve quality through automated inspection process and provide the best automotive spares, parts, and components. Moreover, we enhance customer satisfaction by continuously improving our products, processes, and services. We also offer customized products to our clients and work according to their specifications. Timely delivery of products is also one of the primary competitive advantages of our company. Maintaining a close vigil on our shipping and forwarding services, our tie-ups with leading C&F agents...
