We are among the most venerable manufacturers and exporters of Industrial Fasteners in the world. Our products are highly demanded, owing to their sturdy built, high durability and defect-free design.

About Us

Established in the year **1986**, we, “**Universal Products and Electro Controls**”, are one of the renowned manufacturers and exporters of an extensive range of **Industrial Fasteners**. We procure raw material for our products, from trustworthy and recognized vendors of the market, which reassures the quality of our range. These products are appreciated for durability, corrosion resistance, excellent performance and dimensional precision. Besides a diverse range of industrial fasteners, for our customers' satisfaction, we also provide after-sales support and OEM manufacturing services on contractual basis. Our quality experts ensure to check every product for flawlessness, through several stringent quality tests. Backed by a sophisticated infrastructure and diligent workforce, we are capable of delivering a quality range at cost effective prices, within the stipulated time-frame. Furthermore, we accept payment in flexible modes like cheque, on various terms like D/A, D/P and L/C. Under the notable guidance of our mentor, '**Mr. Wajeed Khan**', we have been able to grow in our business. His rich experience and in-depth business knowledge have enabled us to carve a reputable niche in the highly competitive market.
