About Us

We at Universal Trade ensure that the best possible quality toys shall be sourced to you. We have always been able to maintain a diversified portfolio of the quality toy products, as well as maintaining a presence as the market leader of the toy section. Our distribution strength is throughout the country, and you always provide the value to our customers and also recognition and success does not elude us. We have always believed in providing responsible leadership, and our patrons and the loyalty of our suppliers are what drives us. The principles and values that we at Universal Trade extol from our services always dignify the individual, the honesty, the knowledge and teamwork, along with the integrity that is coupled with competitive spirit. We always embrace the empowerment, and also provide leadership and focus on the ethical standards of creating toys. We have always been able to make use of advanced technology and a continuous research and development in order to provide individual as well as competitive success towards the creation of toys. We focus in the growth of our patrons, as well as ensure that the loyalty of our suppliers is always with us. We are also into selling in retail, as well as in e-commerce, and our base in Mumbai is the prime point of creativity. Since our inception in the year of 2014, we have been able to steadily gain rankings in the toy sector in India.
