

Universal Minerals

<https://www.indiamart.com/universalminerals/>

We are one of the leading producers & suppliers of a qualitative range of Feldspar & Mica. These are available in various specifications and extensively used in different industries.

About Us

We, **Universal Minerals**, established in the year **2000**, are well established processors and suppliers of a superior range of **Sodium Feldspar and Potash Feldspar**. These are processed by using best quality material selected from our own Mines. It is also processed in accordance with industry standards and finds wide application in various industries. Our range is highly acclaimed for the unique features such as **accurate composition, purity and high accuracy results**. We also meet the individual requirement of our clients in the best possible manner. Our organization is supported with a state-of-the-art infrastructure facility, which is spread across a wide area. This unit consists of advanced processing unit, quality testing unit, R&D unit and warehousing and packaging unit. These units are managed by a team of highly experienced professionals who help us to offer unmatched range of products to our clients. To enhance the quality of our products, we also conduct market research and survey. Further, with the support of our warehousing unit, we meet the urgent requirement of our clients within a given timeline. Under the inspiring guidance of our **CEO, Mr. D. V. Rao**, we have created a benchmark in the competitive industry. He has vast experience in this domain and helps us to offer quality products to our esteemed clients at competitive prices. Moreover, owing to our client centric approach, superior range and timely delivery...
