We **Universal Packaging Industry** are a **Sole Proprietorship (Individual)** based firm, eminent **Manufacturer** and **Supplier** of a wide gamut of **Egg Tray**.

## About Us

Incepted in the year **2005**, at **Hyderabad (Telangana, India)**, we “**Universal Packaging Industry**” are a **Sole Proprietorship (Individual)** based firm, eminent **Manufacturer** and **Supplier** of a wide gamut of **Egg Tray**. These egg trays are manufactured by our adroit professionals using modern machines in line with the set quality norms. Offered egg trays are obtainable in numerous colors, sizes and material types. Provided egg trays are widely recognized for their unmatched quality, light weight, durability, high strength and impact resistance. Offered egg trays are ideal for packaging of eggs. Managed under the capable guidance of "**Ismail Hashmi (Proprietor)**", our firm has attained a strong foothold in the market. His motivating quick business decisions have helped us to carve a niche for the entity within a very short span of establishment.
