About Us

Incorporated in the year **2006**, **Universal Pest Control & Allied Services** has created a pioneer position in the field of pest control services. We are based out as a **Sole Proprietorship** concern and situated our operational head at **Bengaluru, Karnataka (India)**. We deliver **Rodent Control Service, Mosquito Fogging Service, Anti Termite Control Service, Housekeeping Service** and more. These services are provided by our team of professionals who carry rich experience and knowledge about the domain. We make sure that the services are timely executed. Further, our services are rendered by using latest methodologies with an aim to provide efficient and quality services at the customers place. The services are cost effective and customized as per the customers' demands. Moreover, our quality analysts keenly supervise the quality testing departments. They examine the services on various well-defined parameters before the delivery. Under the esteemed supervision of **Mr. Rakesh Gowda (Proprietor)**, our company has created a renowned position in the market. With his outstanding communication skills, he interacts with the employees and customers in a profound manner. We have adopted client-centric measures, which helps in carving a niche for ourselves in the national market. Our organization focuses on providing superior quality services at market leading prices. To provide utmost patron...
