Meal Services: Uptown brings you the home-made foods for you at your doorstep whether you are at work or relaxing at home. Corporate Catering: We have been a master to cater our corporate professionals the flavour some dishes on the occasions.

## About Us

Uptown brings you the home-made foods for you at your doorstep whether you are at work or relaxing at home, We serve you the most delectable dishes of your choices which are prepared under the supervision of seasoned cooks who brings their culinary experiences from every corner of Indian Subcontinent. They are masters of the kitchen who knows the food cultures of Indians and understand the value of delicious and nutritious foods which are badly missed due to frequent travelling and relocating to the new cities for jobs and educations. We use organic vegetables and grocery to serve you the most authentic and delicious foods with health and hygiene in consideration.

Try our meal once on a trial basis and let us have an opportunity to feed your appetite with lip-smacking foods.
