Urmi Enterprises

<https://www.indiamart.com/urmienterprises/>

We are Wireless Infocom co. with a wide suite of Telecom services, Wireless Networking & Communication Devices and International Calling Cards. Our array is appreciated for matchless performance, professional services and reliability.

About Us

'**Urmi Enterprises**' was established in the year **1993** as a process control automation company. On expansion, we started trading and supplying of a qualitative array of Branded PC,2-way Radio system, **Telecommunication solutions, Networking, Walkie Talkie & Communication Instruments and Calling Cards** . Over the years, we have earned pioneering position in providing solutions for networking and communication sector. We have associated with well-known market vendors that supply us quality-assured products. Our workforce of dedicated, expert and experienced professionals, who help us streamline business operations. Owing to their constructed efforts, we have been to cater to varied requirements of the clients. Besides, we maintain highest quality standards and follow ethical business practices while carrying out business activities. Due to these factors, we have amassed a wide client base across the nation. We have evolved as a preferred trader and supplier in the associated business under the proficient guidance of our mentor, '**Mr. Bipin Panchal**'. His rich experience, in-depth knowledge and managerial capabilities have enabled us gain a competitive edge over business rivals.
