# U S B Chemicals

<https://www.indiamart.com/usbchemicals/>

We are a renowned **Manufacturing, Exporting, Wholesaling** and **Trading** a wide array of Manganese Sulfate Monohydrate, Iodized Salt, Sodium Feldspar, Copper Sulphate and much more.

## About Us

Since our establishment in the year **2015** at **Mundra (Gujarat, India)**, we, “**USB CHEMICALS**”, are a **Partnership Firm**, engaged in **Manufacturing, Exporting, Wholesaling, and Trading** a qualitative gamut of **Sulphate Monohydrate, Industrial Salts, China Clay Powder, Manganese Oxide, Garden Flag Stones, Green Marble, etc..** These products are accurately processed by our veteran professionals using optimum quality chemical compounds and modern machine. Provided products are broadly demanded in the market. These products are highly accredited for their precise composition, high purity, compositional accuracy, fine packaging and long shelf life. Catering to the needs of the clients, these products are obtainable in several packaging options. These products serve a wide number of industries like animal feed, poultry feed and animal fertilizers. Beside this, we are exporting all our products in **Saudi Arabia, Qatar, Kuwait, Egypt, Oman, UAE, Netherland, Serbia, Morocco, Bangladesh.**

We have developed an infrastructure that is very wide and modern. As well, highly developed machines and advanced technologies are installed in our unit that helps us to bring high quality products in the market. This unit is parted into several sub-units like procuring, production, quality testing, customizing, sales & marketing, administrative, warehousing & packaging and many more sections....
