About Us

Since its Establishment We, "Usha Box Makers", are engaged in supplying an extensive array of Non Woven Fabric Bags, Fancy bags, fancy carry Bags. Our products are made up of optimum grade of propylene material and highly sought after in different kinds of industries and sectors. These products have won the acclamation of various customers for their sturdiness, eye

catching designs, durability and competitive prices.

We have the support of an advanced infrastructure, which assist us in fulfilling the ever-changing requirements of our clients. The regular technical upgradation of our products has further enabled us to provide products that are in compliance with the global quality specifications. Empowered by a committed workforce, we are able to supply superior grade of the products within the postulated time frame. Furthermore, we also accept customization orders and supply the goods as per the specifications detailed by our clients. Our efficient packaging team works hard for delivering damage free consignments to the clients in record time.

We have etched a resounding name for ourselves in this domain, under the able guidance of mentor, 'Mr. Ramesh Keshari'. His years of experience, extensive qualification and smart business policies have helped us in meeting the current needs and requirements of the market.
