## About Us

Usha Handicrafts was established in the year 1986. We are Manufacturer, Exporter and Supplier of Antique Wooden Doors, Wooden Chairs, Wooden Folding Chair, Wooden Cabinets, Wooden Tables, Wooden Temples etc., that are made using high grade material. It is our consistent approach towards manufacturing quality products that has enabled us in becoming a prominent choice of our valued customers. Our range of product is the perfect example of elegance, uniqueness and contemporary designs. The range is designed by an expert team of craftsmen, who have proved their creativity in their respective domain by meeting the exact requirements of the clients.

We design our range as per the special orders of the customers to meet their specific requirements. Regular feedback on product is taken from them so that we can upgrade our products/'services to more better their needs. Further, to accomplish all our orders on time, we have installed our manufacturing department with ultra modern machines. It helps us in giving the desired shape and look to our products. The products are packed in quality material to retain its originality for longer duration.
