## About Us

USHA Polyfab, is one of the distinguished manufacturers and suppliers of a variety of Niwar. Due to our commitment of providing quality products, we have carved a niche for ourselves in the industry. All our products are subject to stringent quality checks so that highest international standards are duly followed. Our experts understand the importance of money that our clients are investing while working with us. Therefore, we emphasize on offering a range of Niwar, which is high on quality. We are supported by well experienced quality controllers, who inspect our range on the parameters of tensile strength, abrasion resistance and heat resistance. This helps us in offering a defect free range to our clients. Further, we pay proper attention towards our warehousing and packaging unit. We make sure that each of our product is stored and packed properly to ensure safe transit. Under the able leadership of our mentor, Mr. Sandeep Chopra, we have emerged as one of the prominent organizations. His vast industry experience and in-depth knowledge in the domain have allowed us to serve our clients with the best products. Our team has been able to excel under him and also able to establish strong position in the market. We have a sound warehouse, which is properly structured and well segregated. Our warehouse possesses the ability to store products in bulk. Its sound capacity helps us in keeping ready stocks of every item to complete our orders at the earliest. Moreover,...
