

US Health Product

<https://www.indiamart.com/ushealthproduct/>

We introduce ourselves as one of the leading manufacturer and exporter of health care dietary supplements like dietary soya protein, fat burning medicines, health drinks etc. These are being used for enhancing nutrition and fitness levels.

About Us

U.S Health was incepted in the year 2005 by Mr. Rajiv Vats with a mission to eliminate the nutritional and health imbalances in a human body. Owing to efficient implementation of our thorough knowledge of the health care industry, our assortment of health care and dietary supplements has been widely appreciated by our clients across the country. Our products includes instant energy drink, fat burning medicines, fat burning capsules, soya protein and other dietary proteins. Our products contributes in improving the health as these increase strength, stamina, toning to deliver higher energy levels. We have supplied these to many well reputed companies in the health care and medical industry.

Our adroit and qualified professionals formulate and develop these supplements in order to ensure that end users enhance their muscle mass & lose excess body fat. We use various advanced technology and sophisticated machines for the efficient production of our supplements. Moreover, our chemical engineers take care of the chemical composition in the supplements during the production process. We get our range tested on various parameters by quality experts who have comprehensive knowledge of the medical and health care industry. Moreover, our technical expertise also allows us to provide the customized solutions to our esteemed clients.
