# Usp Life Sciences (Unit Of Mint Life Sciences Pvt. Ltd.)

<https://www.indiamart.com/usp-life-sciences/>

We are engaged in manufacturing and supplying an extensive range of Pharmaceutical and Health Care Products. We assure that our products comply with the global quality standards.

## About Us

To achieve and sustain our position as India's Premier marketing based pharmaceutical healthcare company. Our continuous improvement translates into success and benefits for our team, our customers and communities. We always prefer to introduce new and upcoming molecules to make our customer more secure in Doctor's chamber and in the trade. We are committed to provide the quality products at very competitive rates. We are also committed to total customer satisfaction by meeting the exact requirements of the customers in shortest reasonable time. We promise to deliver the products on time for each order. **Team of expert:** We have achieved high position in the market due to the extensive support of our dedicated team. To ensure safe delivery of our pure pharmaceutical products, our complete team work together to achieve organizational goals. **Client First:** Client First' is not just a philosophy for us. It is the way we lead our lives at usp every day. One of our biggest strengths is the diversity of our people and the rich experience that they bring across varied skill-sets, backgrounds and cultures. What binds all our associates together is the common thread called Values in Action. We believe in nurturing our people and ensuring their growth, alongside the growth of the organisation. Our associates are at the heart of our business. They are responsible for having taken our organisation to the heights that it has scaled and are...
