About Us

Utpal Infrastructure Pvt.Ltd is well established, fast growing firm that provides technically advanced systems in the fields of Partitions, interior and all exterior works. We are Turnkey contractors for Smart steel Buildings, Pre-Fab structures, Dry wall Partitons sysytems, 2 Hours Fire rated walls sysytems, Structural Steel Fabrication, all types of Celings, High-end wooden floorings, Siding applications with cement planks, Roofings, Shingles roofings etc. We do all the above activities for Hospitals ,Resorts, Commerical & Residential complex, Malls ,etc.

We have already acquired a well deserved reputation as Partitions Specialist.. Our professional approach not only ensures the correct output as per designs and specifications but also guarantees timely execution.

We have team of skilled and semi-skilled labors and qualified engineers capable of handling independently all kind of jobs dedicated to excellence in quality and schedule commitment. We preferred to get involved in project right from concept through designing, installation till commissioning.

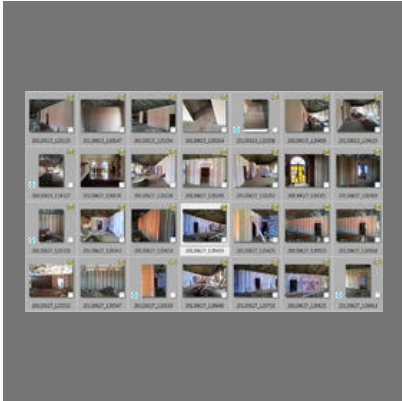

We believe in providing safe and highest quality of work at most reasonable price. This has immense importance in view of long term relations, we strive to ensure the work is planned and executed in the time frame to suit the requirement of clients.
