## About Us

The Company deals into Commercial & Industrial RO Systems also along with Domestic System. The company manufactures packaged RO systems for ground, bore well, well, river and tap water applications in standard capacities of potable water production from 8 Liter per hour to 1,00,000 Liters per hour, single, double, triple tube water filters with and without UV attachment, Softener, DM Plants & water vending machines in various capacity. We can design, manufacture and install customized systems to meet our clients' requirements. United Water Tech is a member of the Water Quality Association of USA since 1995 and the Indian Water Works Association since 1999. We are associated with USA and Taiwan-based water treatment companies for the procurement of components and design of commercial RO systems. We boast the title of "National Gold Star Award" and our young and dynamic Managing Director Mr. Vijay Shah is honored with the coveted "Jewel of India Award" by the International Business Council - Delhi. Mr. Vijay Shah has also been awarded for his contribution in Research & Development and Scientific Design of new and innovative health and hygiene related products and even more recently he was awarded by PRIDE OF GUJARAT in Business Category presented by Shri Dwarkeshlalji Maharaj, Gadipati of Thakorji Haveli, Baroda in presence of Mr. Purushottam Rupala, BJP President, Gujarat in Jan 2008. Over and above these accomplishments, Mr. Shah was...
