We are one of the topmost manufacturers, suppliers and exporters of Drilling Equipment. Coming with their sturdy construction, high penetration rates and the offered range of drilling equipment is much demanded in the markets.

About Us

Established in the year **2008**, we, "**V. K. Enterprise**", are engaged in manufacturing, supplying and exporting Drilling Equipment. We offered a wide range of Drilling Equipments, Drilling Machines and Hammer Spare Parts. Manufactured using premium grade raw material, these products are available in different designs, styles and sizes to suit the customers specific need. Widely used in different commercial and residential spaces, our products are acclaimed for their dimensional accuracy, corrosion resistance and low maintenance. We have developed a state-of-the-art infrastructure in Rajkot (Gujarat, Indian), in order to develop our range. Our infrastructure is segregated over a wide area and comprises various units. Throughout the manufacturing process, our quality controllers thoroughly test the entire gamut over several stringent parameters to avoid any possibility of the error in the final product. After that the whole gamut is carefully stored at our warehousing unit for packaging prior to their dispatch. Our packaging experts pack the products in quality material and deliver it to the markets of **India and Indian Subcontinent**. We have excelled in the domain, under the able guidance of our mentor, '**Mr. Jitu Vora**', who has years of experience in the domain. His compendious knowledge, motivational policies and sharp business policies have helped us grow leaps and bounds in the domain.
