## About Us

Establishment in the year **1990**, We, **Vaibhav Laxmi Dairy Products Private Limited** are engaged in serving the clients as trustworthy wholesale trader of **Milk Powder, Desi Ghee, Protein Powder, Dairy Whitener, White Butter, etc.** Our experts make use of fresh milk and other healthy nutrients, because of which, these milk products are used in clinical foods, health foods, and salad & soups. Our aim is to keep the nation and thereby, our clients healthy and fit.

We have a sprawling infrastructure which comprises all the requisite units like quality control laboratory, warehousing & packaging unit and research and development wing that enable us to produce world class food products. Further, our experts make sure that these remain unadulterated and highly nutritious till these are delivered at the clients' end. For this, we follow appropriate processing techniques while processing these milk products. Owing to our wide distribution network, we have been able to cater to the needs of a large number of clients.

Our mentor **Mr. Bhavesh** has vast industry experience and knowledge in this domain. He has guided our team all through and under his guidance; we have been able to gain remarkable position in this highly competitive industry. Our team directs all its endeavors to reach new heights of success.
