About Us

Vaspal Salt & Chemicals Private Limited has been engaged in manufacturing and exporting a comprehensive assortment of salts and gypsum that includes Common Salt, Gypsum, Marine Gypsum, Salt Pan Gypsum, Fine Powder Salt, Iodized Edible, Crystal Salt, Industrial Grade Free Flow Salt, Refined Free Flow Iodized Salt. These are manufactured using fine quality crystal salt that makes our range pure and safe for consumption.

Mr. V.A.S. Palappanadar, founder of the organisation, had started business in 1959 as a trader of salt. He is one of the pioneers in the field of manufacturing **Fine Powdered Salt** using Chakki. The product being used for **Tanning industries**. His vision was to manufacture high quality salt as per the emerging market demands.

Mr. V.A.S.P. Manilalgandhi moulded the thoughts of his father, **Mr. V.A.S. Palappanadar** and started Vaspal Salt & Chemicals Pvt Ltd in the year 1994. Under the able and efficient guidance of **Mr. V.A.S.P. Manilalgandhi, his son Mr. M. Shenbagamoorthy** who has finished his studies in chemical engineering and Master of Business Administration, looks after the business. His in-depth process knowledge has helped us to garner a strong position in domestic as well as international markets.

Today, successfully running the business for three generations, we have carved a niche for ourselves and have become one of the prime manufacturer and exporter of salts and gypsum. Apart from...
