<https://www.indiamart.com/vaultagritech/>

Vault Agritech Private Limited, with its passion for PASTA, brings you a variety of Italian Pasta. Our pasta is extremely healthy, made of chosen and tested best quality ingredients. The Italian technology of manufacturing infuses a true Italian ...

About Us

Vault Agritech Private Limited was set up in December 2017, with an aim to deal with the production of processed foods from agricultural produce with the help of latest technology. The first project of the company is 'Pasta'. Axor Ocrim Pasta machinery is the technology provider of state of the art Italian technology, and are pioneers in Pasta machinery manufacturing. The plant is suitably located at Balangir, Odisha. The climate of this location is appropriate for the product. It is also strategically located for PAN India distribution as well as exports.
