## About Us

VBL Innovations Pvt Limited are manufacturers of High Quality Leather Watch Straps in India. We are a company whose products have gained reputation and respect in the Indian and International market due to our fresh and contemporary initiatives in being Reliable, Innovative and maintaining high Quality standards. Our first factory was set up in 1996, equipped with some of the best machines from Switzerland and Italy. The company employs around 400 people and strictly does not employ child labor. Over the years we have built a strong and trained work force that handcrafts high-quality leather watch straps.
