Vina Polymers Private Limited

<https://www.indiamart.com/veenaenterprises/>

The leading manufacturers, suppliers & exporters of highly effective Automobile Coatings & Industrial Chemicals. These are widely appreciated for their accurate composition, long shelf life, purity, stability & eco-friendliness.

About Us

Established in the year 1972, we, Veena Enterprises, Mumbai, are a renowned organization involved in manufacturing, supplying and exporting of an effective & safe range of Automobile Coatings & Industrial Chemicals. These are known for their stability, purity, high pH value and long shelf life, meeting the demands of diverse industries. Over the years, due to our extensive research and development activities, we have developed sound understanding of the respective market. Strategically based at Mumbai, India, we have set up a sophisticated infrastructure, which is facilitated with latest machines & testing equipment. These enable us to formulate a quality range and ensure that it has accurate composition and is non-toxic in nature. We are also supported by dexterous team of professionals, which helps us to carry the entire business on ethically. In order to attain complete customer satisfaction we also deliver the ordered consignments within the stipulated time frame. We are steadily growing under the able & motivating guidance of our CEO, Mr. Mohan Dhotre. Owing to his far-sighted vision and innovative ideas enables us to keep pace with the changing market dynamics and scale greater heights of success.
