Veer Electricals

<https://www.indiamart.com/veer-electricals/>

We have marked distinct status for ourselves in the industry by manufacturing, exporting and supplying a unique array of home lightnings, lighting poles and many others. Further, we are a supplier and distributor of electrical chokes and more.

About Us

Veer Electricals is a partnership firm, came into existence in the year **1983**. The company emerged as a leading **manufacturer, exporter and supplier** of broad spectrum of **Home Lightings, LED Lightings, Lighting Poles, Lighting Accessories, Earthing Plates, Lightning Arrestors** and others. Further, we specialize in supplying and distributing a superior quality range of Electrical Chokes, Electrical Components and numerous others. Manufactured using optimum quality raw material and latest production methodology, our products is highly demanded for their better quality, innovativeness and other matchless features. Moreover, the material we use to develop our products is sourced from the authorized vendors of industry, who are selected after a careful market survey by our experienced procuring agents. Besides, our company has kept itself ahead of close business competitors by providing range as per the accurate demands of clients and within promised time frame. We also give various payment options to our clients such as cash, demand draft and cheque, in order to make easy and hassle free monetary transactions. Working under the skillful guidelines of our honorable business partner **Mr. Praful Kumbhat**, we have placed a desirable market status successfully. His ethical business approach, sharp business insight and years of experience in respective domain have assisted us in acquiring huge clientele support that is based across the country....
