About Us

Vee Source Global is one of the fastest growing executive search and end to end HR solutions provider. Vee Source Global primarily focuses on the sectors of Banking, Accounting, Finance, Human Resources, Information Technology, Manufacturing, Sales, Marketing, Engineering and Sciences. Vee Source Global provides executives with exciting and relevant job opportunities that will broaden their career options. Vee Source Global focuses on helping businesses "bridge the execution gap" and experience accelerated business performance. Its client-centric philosophy, commitment to service excellence and a global delivery model enables its global clients to succeed in today's global digital economy. Vee Source Global provides onsite, offsite and offshore technology services and solutions to leading financial services; technology, communications & media; and manufacturing, retail & logistics corporations. The privately held company has offices in the U.S., Europe, and India. Vee Source Global delivers innovative technology and business process solutions to small & medium sized business around the world. The Vee Source Global team is composed of experienced and creative people from divergent backgrounds who share an unwavering commitment to serving the clients' needs. Our solutions are delivered from our privately owned, global delivery center in India - providing significant competitive advantage when reliability and security are of primary concern.
