About Us

Vekram Industries, Thane is one of the leading manufacturers and suppliers of a wide range of **Paper Corrugated Board and Box Making Machines**. Our range is known for precision designs and technical accuracy, which helps in the increased production. Due to high production output, these machines are used to make corrugated boxes. Our manufacturing unit is well equipped with requisite machines to produce quality approved range of **Paper Corrugated Board and Box Making Machines**. We streamline our manufacturing unit which helps us to undertake bulk orders from our clients with efficiency. Various facilities are available in our manufacturing unit like designing, forming, paint spraying and assembling. Our team of proficient quality analysts checks the entire range at every step of the production process which helps us to sustain the trust of our esteemed clients. Developing our wide range of products as per the international quality standards has helped us to garner a huge clientele across India. Under the able guidance of **Mr. Balwinder**, we have earned an expertise in manufacturing quality approved range of machines. His able guidance and rich industry experience have acted as a motivational factor in the overall success of our company.
