## About Us

**Velvet Logistics Private Limited**, earlier went by the name of **DS Packers and Movers**, is a dedicated and reliable moving company, which has now expanded into logistics as well. We have been serving for the past 7 years over all the major cities across India. Our main motive is to provide best quality services at affordable costs. We are a one-stop solution for not only your packing & moving requirements, but also complete logistics solutions. Our professional moving team makes your relocation process easy. Before taking up a new order, we do a self-assessment test to improvise & deliver the best service for our customers. We are experts in packing & moving services like Residential moving, office moving, international shipping, we also provide warehouse facilities. We use high-quality packing supplies, using the right tool we systematically dismantle & assemble large goods, we have proper goods handling equipment, with various goods carriers, we make sure that we are always prepared to deliver the best services for all your moving needs. We are transparent, sincere & have moral responsibilities towards our customers. Over years we have built a strong & friendly moving service with satisfied customers.
