Established in 1975, We **Venus Spring & Industrial Works** are pioneers at **manufacturing** a quality-assured range of **Coil Spring, Sheet Metal Components, Spiral Spring, Switch Spring, Tension Spring, Wire Forms Springs etc.**

About Us

Established in 1975, We **Venus Spring & Industrial Works** are pioneers at **manufacturing** a quality-assured range of **Coil Spring, Sheet Metal Components, Spiral Spring, Switch Spring, Tension Spring, Wire Forms Springs etc.** The offered range is manufactured using the best grade raw material and advanced technology. Our offered gamut is widely acknowledged among our respected clients for its easy installation, enhanced durability, compact design, corrosion & abrasion resistance, dimensional accuracy, unmatched quality and fine finish. Our clients can avail these offered products at very reasonable rates.

Our infrastructure is equipped with large manufacturing facility that enables us to manufacture bulk orders in compliance with the set industry standards. We have recruited a team of professionals in our organization who never gave a single chance for any complaint. Under the guidance of our mentor, **Mr. Manoj Panjabi (Proprietor)**, we have attained the goodwill of the market by working hard. His rich domain expertise and huge industry knowledge has proven us in carrying out different business activities.
