About Us

Verbalize is a world-class language school, the acknowledged leader in language teaching.

Verbalize is the world of learning, where studying is easy and great fun! We offer a range of language study programs – here you find exactly what you need to achieve the set goal either it being a language course for a child or a teenager or a specialized study programs such as Voice and Accent training or Montessori and Primary Teacher's Training .

Ours is not a common language school. This is a school people like coming to. It is a school which is recommended to friends. It is a school where families come to, both parents and children. It is a school with comfortable A.C classrooms, where you can enjoy a film, practice your grammar and pronunciation skills. We are proud of our teachers – real professionals, who are enthusiastic about language teaching.
