Vertical Leap

<https://www.indiamart.com/vertical-leap/>

Scaffolding is an unavoidable and highly required task in the area of civil and mechanical construction.

About Us

Vertical leap is a kochi based scaffolding company operating in kerala since the 2006. Vertical leap provides services for high-raise building projects for both exterior scaffolding and interior scaffolding. In short time their dedication towards work and efficiency in the work done earned them a goodwill which expanded their commercial territory all over south india.
