

Verticals Architects Planners & Engineers

<https://www.indiamart.com/verticals-architects-plannersengineers/>

We are counted as one of the reputed firms engaged in providing Architectural and Interior Designing Services. Apart from these, we also offer Construction Consultancy Services. Our services are known for timely execution and reliability.

About Us

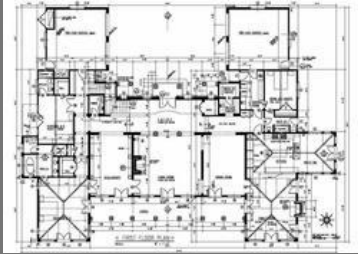

Established in the year **2006**, we, “**Verticals Architects Planners and Engineers**”, are an eminent organization engaged in providing **Architectural Services** and **Interior Designing Services**. Apart from these, we also render **Construction Consultancy Service** to our valued clients. Due to their superlative characteristics such as premium quality, timely execution and reliability, these services are highly preferred by our esteemed customers. Our services find extensive application in residential apartments, hotels, resorts, commercial buildings and hospitals, among others. We are a Sole Proprietorship (Individual) firm, which is based at **Mumbai, (Maharashtra, India)**. Our firm is greatly supported by a team of dexterous and experienced professionals, which we have appointed. These professionals adopt advanced methodologies in rendering our optimum quality services. We offer our services at the most reasonable prices to suit the varied budgets of the clients. For the ease of transaction, we accept payment from the clients via various modes. Under the notable guidance of our Manager, “**Mr. Vivek K. Dangre**”, we have achieved stupendous success within a short period of time. His charismatic leadership, constant inspiration and brilliant managerial skills have enabled us to stay ahead of our competitors. With the help of his expertise and knowledge, we have been able to carve a...
