Vesuvius

https://www.indiamart.com/vesuviusvisakhapatnam/

Manufacturer of coke ovens, hot blast stoves, blast furnace etc.
About Us

Vesuvius is a community of experts developing products and solutions and providing services in the molten metal, glass and renewable energy industries for its customers worldwide. The Group’s main values have been built over time on a strong and reliable business model which provides customers cost reduction, process security and quality enhancement. Working effectively with customers and respecting their values, Vesuvius is committed to safety, environmental management and energy conservation. In 2008, Vesuvius enlarged its scope with the acquisition of Foseco. The Group now has a total of 10,000 employees and 70 manufacturing plants in 40 countries throughout the world delivering “best in class” service to its customers in every continent.
