## About Us

Vetri Nilayam was established in the year 1961. We are the Manufacturer and Supplier of School Book, Text Book and Guide Book etc. It is fabricated with due perfection using high grade raw material, which is sourced from authorized vendors only. Apart, the able guidance of our mentor, Mr. Somu, we have witnessed an unreachable height of success in this competitive industry. He has rich understanding of the respective domain helping us in manufacturing our range as per current market trend. These vendors provide us with instruments, equipment and other products of international standards.

In order to get complete assurance of the quality of our products, we properly inspect the entire range after its procurement. This inspection is rigorously done on several parameters by our highly qualified quality analysts. We hold vast knowledge of the industry and make proper use of it to ensure consistent growth of the firm and complete satisfaction of the clients. We are highly appreciated for the quality work we do and our consistent efforts to keep the customers happy has helped us become their preferred choice in the market.
