Incorporated in the year 2001, vibe events and weddings have the expertise of over a decade in organizing elegant and stylish wedding events across Kerala.

## About Us

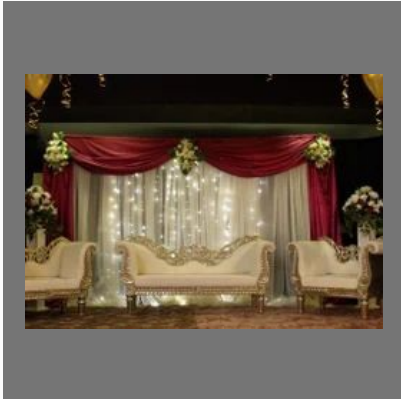

Incorporated in the year 2001, vibe events and weddings have the expertise of over a decade in organizing elegant and stylish wedding events across Kerala. Over the years we had put forward the best in class services for coordinating unique and surprising wedding celebrations and world-class events in Kerala. Our bespoke and tailored wedding management services includes themating wedding, venue decorations for ceremonies, wedding video and photography, transportation, stylists and make-ups for Brides and so on. We do also offer a full concierge services for conducting corporate functions as well as product launching. We at vibe events and weddings, always strive to be the best at what we deliver and thereby assisting our clients to celebrate most exciting events of their lifetime. Our experienced staffs are well trained to work around the schedules so as to manage and ensures the entire celebration procedures go on seamlessly. Whatever it is, Corporate or private, small or large Vibe events and weddings can take care of every conceivable aspect for bringing together your events and wedding ceremonies in a cost effective way.
