About Us

For more than two decades Viceroy Hotels has been helping to define hospitality in Hyderabad. We develop hotels, restaurants & new F & B concepts, which have earned us acclaim in the industry, thanks to fresh and timeless ideas which transcend national boundaries. With our vision we have taken Hyderabad in new direction and reinvigorated the hospitality in the city. We have brought Marriott Hyderabad, the first international Brand hotel in the city. More recently we have established Waterfront & Eat Street as new dining and entertainment hubs. At Viceroy Hotels Ltd we do more than serve guests. Each one of our properties embodies the Viceroy Hotels philosophy, providing a unique location, distinct concept and excellent value. The result is a truly memorable experience. Today Viceroy Hotels is a dynamic company with operations all across the country, and plans are underway for strategic global expansion.
