About Us

Vidhia Electrotrans Industries, established since 1981, is headed by an efficient, knowledgeable, B. E Electrical Engineer. With experience of more than 36 years of design, production and testing of transformers, after manufacturing more than 3000 units of 11 & 22 KV distribution transformers and repairing more than 15000 units of 11 & 22 KV distribution transformers from past 36 years, Vidhia Electrotrans Industries has now discovered the new path in the world of transformer industry.

Being the first manufacturer for the Special Design Transformers, Vidhia Electrotrans Industries has successfully manufactured and supplied more than 1500 units of 24 Amps and 30 Amps special design transformers to various distribution electricity companies in the State of Gujarat.
