About Us

Vidyasagar Classes provides high-quality, relevant and varied educational coaching programs for under-graduates aspirants appearing for medical and engineering competitive entrance exams. We have a range of programs viz classroom, online and distant learning programs and weekly test series (WTS) with an idea to provide a comprehensive preparation module to the students aspiring for Medical and Engineering entrances. Founded in 1985, with a legacy of more than thirty years of coaching experience, to more than 1,00,000 students, 250 associated teachers and almost 25 coaching programs running across wide spread of 30+ branches and test centers, Vidyasagar Classes has emerged as a Leader in education industry. Being the pioneers in the coaching industry, we genuinely believe that education is a noble profession and we always seek to deliver optimal quality of service to our students that has resulted in the high success rate. Thus, our integrity and honesty has created a reputation for excellence making us the first choice of both, students and parents alike in the field of Education not only across the country but globally.
