About Us

VIJAHETA Trading, a leading name in the Indian market is a company driven by innovation. Its complete focus on crafting unforgettable bathing experiences, developing contemporary bathroom solutions for over five decades with products that make life better has set new trends each year. The unequivocal trait of all brands, being the very 'best and first', in its domain began with the introduction of the complete bathroom solution under one roof to its consumers in 1983. And, it was just the beginning! Searching for new approaches and ideas in bathroom product design led to the birth of brand Vijaheta. Its growing portfolio of excellent brands such as Kajaria, Nitco, Grohe, Kerovit and many other big brands along with Vijaheta encompasses pristine ceramic bathroom fixtures (water-closets, bidets, washbasins, and urinals), series of tech-smart taps/faucets, tiles, vents is a testament of its growth and commitment.
