About Us

Vijay Enterprises was established in the year 1981. We are engaged in manufacturing and marketing of baking powder ingredients and preservatives for over 30 years. We provide high quality products at competitive prices to bakery product manufacturers across India. At our FSSAI approved manufacturing facility in Delhi, we follow stringent quality systems to manufacture high quality hygienic ingredients to give healthy and safe products for your consumers. All our products are free from extraneous chemical and biological elements. From raw material procurement to final packaging, we ensure that quality of intermediates and final products is maintained at all stages of manufacturing. Over 100 bakeries, including some of the biggest companies in India, are our long standing customers as we consistently provide high quality products at economical prices. We also manufacture products as per customer specifications, if there is sufficient volume.
