Vijay Trading Co.

<https://www.indiamart.com/vijaytrading/>

Being a reckoned name, we are engaged in exporting, supplying, trading and importing Food Products & Spices. These products have gained huge appreciation among our client base, owing to pure ingredients and longer-shelf life.

About Us

Founded in the year **2009**, we, “**Vijay Trading Co.**”, are engaged in exporting, supplying, trading and importing of Food Products & Spices. We have sourced our offerings from the most authentic vendors of the market and thus, have brought forward a wide array of products including Vacuum Pack Products, Ground Spices and Whole Spices. Processed using natural and pure ingredients at our vendor base, these food products have been duly quality tested. Thereby, we assure our customers to have qualitative range of food products capable in yielding rich taste & flavor in their usage. Our sourcing firms hold rich experience in food industry and bring forth their offerings as per the approved industry norms, devoid of adulteration or harmful chemicals. Apart from these positive attributes, we provide these products in various sizes of packaging to meet the specified requirements of our valued customers.

We have been able to make our offerings of utmost usage and to be delivered in a hassle-free way, backed by team of experienced professionals and sophisticated warehouse & packaging facilities. Our working structure has been kept coordinated and stringent, so that the tasks assigned must be accomplished in a profound way. Our offered range of food products are used widely in household needs, in hotels, restaurants and other sectors. We source our offerings following stringent quality control procedures and for the reason, assure our...
