Our company has earned great laurels as manufacturer of superior quality Embroidered Fabrics. Latest patterns and supreme quality are the parameters that are always a must on our list.

About Us

We, **Vikas Fashions Private Limited**, kicked off in the year **1977** and have been ever growing since then as manufacturer of Rayon Fabrics, Embroidered Fabrics and Polyester Fabric. Our products come with an extended life along with an unmatched quality that distinguishes us from our competitors in the market. Our never ending commitment towards qualitative approach earned us a rich client base in the testimony of our market standing.

We deliver and dispatch our items in excellent packaging and accept multiple modes of payment which is completely as per the customer's interest and choice. We are a company that always go by the industry protocols and the specified guidelines. We do believe in accepting the challenges but not at the cost of breaking the rules. The infrastructural base has been our key strength which has enabled us to deliver happiness to our customers. We have grown from strength to strength since the day we started and there has been no looking back till date. We have a very decent annual turnover which is increasing at an extremely high pace.

Mr. Vatsal Jain, has enabled us to achieve accolades through his guidance and leadership. He has always believed that 'Sky is the limit' and has invested his time and sweat in the growth of the company ever since the day of establishment.
