About Us

Established in the year **2014**, "**AH Automation**" is recognized among the noteworthy **Manufacturer** and **Wholesaler** of a broad assortment of **Electrical Panel Board, Electrical Control Panels, Junction Box, etc.** These products are manufactured with modern technologies and skilled workforce at our vendors' end. Due to their excellent quality, sturdy built, longer life and low power consumption, these are highly acknowledged by our clients. To cater the bulk order requirements of the offered products, we have developed a highly efficient warehouse unit at our premises. All our units are operated by our experts, who are well-experienced and versed in their respective domain.

Our mentor, "**Mr. Vikash Kumar Shaw (Owner)**" has always worked as the biggest strength of the organization. Due to his able guidance, we have achieved a favorable position for ourselves in the industry. With his expert understanding, we have been able to attain the trust of our esteemed customers.
