About Us

Vikram Hospital has been committed to delivering benchmark standard medical care for more than two decades now and has one of the finest infrastructures among super-specialty hospitals. Combined with our outstanding expertise and services we have been constantly matching global standards in our every endeavour.

The history of Vikram Hospital is long and illustrious. Dr. S. Narayana Setty, Grandfather of Dr. S. B. Vikram, Chairman and Managing Director of Vikram Hospitals Group dreamed of establishing a medical centre at Mysore aimed to both diagnose and treat diseases and cater to the aggravating need of many patients in Mysore and help cure the diseases. His dream was fulfilled by Dr. Vikram, when the first hospital came-up in Mysore, in the year 2000.

The hospital has built a sound reputation over the years and has been attracting patients from all over the world.

Vikram Hospital is determined to be beneficial to the society in providing reliable medical service. It has grown to be one of the largest private healthcare providers in Mysore, offering tertiary and quaternary healthcare services to patients. Vikram Hospital has more than 150 specialist and 2000 allied health staff working on path-breaking healthcare solutions and contributing towards changing the landscape of healthcare delivery in India.
