About Us

One of the best Pollachi hotel experiences begins as you approach Vikram Towers. A driveway meanders up to a Vikram Towers masterpiece, where old and new fuse together in luxury. The singular locale of Vikram towers lodging in kottur ensures that a vacation on foot hills is like none other. Curved, modern buildings gently intermingle with both our colonial buildings and the verdant, vibrant rainforest around. The western ghats is our backyard.

Our architects, have ingeniously woven the best of old and new into an astonishing, breathtaking fusion. This blend of the old and the new, the natural and the designed, infuses every part of Vikram Towers. And where everyone is welcomed and celebrated at our luxury hotel.
