We “**Vikram Thermo India Limited**” are engaged in manufacturing a wide assortment of **Diphenyl Oxide, Film Coating, etc.**

About Us

Incepted in the year **1994**, we “**Vikram Thermo India Limited**” are engaged in **manufacturing** a wide assortment of **Diphenyl Oxide, Film Coating, etc.** Situated at **Ahmedabad (Gujarat, India)**, we are a **Public Limited Company** and manufacture these products as per the set industry standards. Managed under the headship of “**Mr. Ankur Patel**” (**Owner**), we have achieved a significant position in this sector.

Vikram Thermo India Limited owns two well established brands under Pharma Excipients segment DRUGCOAT- Methacrylic Acid Copolymer based basic pharma polymer & DRCOAT – Customized Readymix Pharma Polymer. This company is pioneer in India for manufacturing its products. It is a fastest growing entity at a CAGR more than 17%. It is founded, led and inspired by Mr. Dhiraj Patel, visionary entrepreneur and ardent science aficionado.

Vikram Thermo India Limited was established with its first plant for manufacturing diphenyl oxide with the name of Vikram Enterprise Pvt. Ltd. It entered the market with stiff competition. It gained a good marketing strength in imported products and expanded its production capacity to 300 tons a year. Another new plant was set up in 1989 in the name of Vikram Aroma Private Limited Chhatral with capacity of 300 tons/year. Both the companies made considerable progress in terms of production volume, efficient good manufacturing...
