We are one of the prestigious manufacturers, suppliers and exporters of a wide series of **Marking & Coding Systems and Inks**. These Batch Printing Systems are known for their high performance, robust construction and longer service life.
Located at Nashik, Maharashtra (India), “Vijaylaxmi Equipments Private Limited” is counted amongst the leading manufacturers, suppliers and exporters of a broad assembly of Marking & Coding Systems and its Inks. Our range of products is used to print different information like B.No., Mfg. Date, Exp. Date and MRP on porous and non porous surface. These products cater to the needs of various industries that include pharmaceutical, pesticide, plywood, chemical, paint and cosmetics.

It is because of the dedicated and determined endeavors of our hard working professionals that we have been able to carve a niche for ourselves in the industry. We own a sophisticated infrastructure, which is fitted with all the advanced machinery and technology. It facilitates us in undertaking all the operations smoothly within specified time frame. Our sincere and united efforts along with the team spirit have always made us to achieve the paramount quality standards.

We have achieved huge professional growth under the able leadership of our mentor, 'Mr. Mr. K. Sundaram' who has got hefty industrial experience of 25 years. It is because of his sharp leadership abilities and efficient business strategies that we have expanded our operations to world’s major markets including East Asia, Middle East and South East Asia.
