About Us

Established in the year **1986**, we, “**Villa Mode Export India Pvt. Ltd.**”, a partnership firm, is engaged in importing a wide variety of high quality **Industrial Chemicals**. Apart from these, we are also engaged in exporting **Confectionery Items, Seeds & Spices and Steel Utensils**. The products being imported are sourced from reliable and certified vendors based all over the world. Both the imported and exported products are of highest quality standards and relevant to the industry requirements. Based at **Maharashtra (India)**, our organization has expanded its business presence all across the international market. We have a large export market that constitutes the whole of **East/Middle & South/West Africa along with East Asia** with countries like **China, Kenya, Benin & Ivory Coast**. We have extensive distribution and dealership network that aids us in procuring and distributing the products. With the help of our efficient logistics department, we are able to ship our consignments within the scheduled time and without any hassles. The simple and transparent business practices followed by us have further helped in establishing ourselves as a reputed name in the industry. Under the able leadership of our mentor, '**Mr. Dinesh**', our organization has achieved great heights in terms of market reputation and profits. He has many years of rich industry experience in this field that has proved beneficial...
