About Us

We, Vinayak Ceramics was established in the year 2002. We are Supplier of Ceramic Pot, Ceramic Bowl, Wash Basin, Toilet Seat Cover, Floor Tile, Granite Tile, Granite Slab etc. If you are planning to give trendy and stylish look to your house or workplace then you can trust Vinayak Ceramics and give fresh and attractive look to your desired place. We have come up with attractive and sparkly range of tiles, which are giving unique look to various residential and commercial places, since ages.

Our glossy wall tiles are available in several different designs, colors and styles that are designed by our talented team of designers. We make sure that all our products have a unique appeal and are of high quality as well. Our company believes that it is important for a business to change its trend along with the changing trends in the market. Hence, we keep ourselves completely updated to the current styles and fashion prevailing in the market. We also make sure to use the latest techniques of production in order to attain the highest quality products.
